

IMPORTANT:

*A Marine Head clogs easily.
Please use toilet paper conservatively.
Use garbage can for everything else.*

**Our goal is to make you a better sailor.
The best sailors start out right here at the head.
How to operate the head like a real mariner:**

- 1. Flip black lever below pump to left and pump water into head to flush.**
- 2. Once head is clean, flip black lever to right and pump dry.**

**Please report any problems to a
Manhattan Sailing Club Staff Member.**
